Our Colored Citizens.

The Bethel Baptist Sewing Circle met with Mrs. Laura Gray at the residence of J. J. Wood Friday last. Mr. Wood made an able address to the Circle and complimented them upon the good work they are doing. The society returned him a vote of thanks for his remarks and his liberal contribution. The Misses Wood were introduced to the society and were made to feel at home by them. The society was royally entertained by the hostess and all went away much elated. River News

Gage marks 28.7 and rising.
The Tacoma will be up tonight for Pomeroy.
The Virginia will be up tonight for Pittsburgh.
The Tom Lisle, that turned turtle, will be raised and repaired.
The Red, Kentucky, Licking and Big Sandy rivers are on a boom.
Cumberland river boats are having trouble with Negro deckhands and roustabouts.
The Courier-Journal is agitating a first class regatta in the Louisville harbor during Home-Coming Week in June.
The Mattie Hays had the shrillest and loudest whistle of any boat on the Ohio river. It has been heard ten miles among the hills on Salt river.

The Queen City Saturday night received at this point 600 cases of eggs, 300 bags of wheat, a large quantity of cotton yarn, whisky and miscellaneous freight. This is the largest consignment of freight the boat received at any point between Cincinnati and Pittsburgh.
In a cluster of whistles on a steamboat or towboat it is seldom that all of them make a noise when steam is turned into them. This is because the pipe from the boilers is not big enough and the force of steam not sufficient to fill more than two or three of them at the same time.
Have you pains in the back, inflammation of any kind, rheumatism, fainting spells, indigestion or constipation? Hollister's Rocky Mountain Tea makes you well, keeps you well. 35 cents. J. James Wood & Son.

Turning Your Back on Opportunity

You have heard Joel Chandler Harris's story of the little chap who went rabbit hunting? He tramps all over searching everywhere for Br'er Rabbit, who had cunningly seated himself on the gun stock.

There's no need for you to hunt all over the country for your vehicle or harness. No reason for going to the "next town" or letting the catalogue houses delude you with cleverly-worded deception. Right here at home is to be found what you need—a stock suited in every particular to the requirements of this section, selected by one who knows our folk and their needs and sold at prices as low as can be obtained anywhere. COME IN.
